BOOK GRANT SCHEME

The Department of Education and Science operate a Grant Scheme for School Books for Primary schools.

ELIGIBILITY OF PUPILS

Families who qualify for this grant are families where there is genuine financial hardship and include:

- Families who are dependent mainly on social welfare payments.
- Single parent families.
- Large family size with inadequate means.
- Families temporarily in need of financial assistance.

In order to ensure that the grant is distributed as fairly as possible, I would ask for your assistance to send a written application by email to office@newtownprimary.ie (**one per. family**). Please note that funds are limited, therefore grants can only be given to those most in need. Only applications received by Friday 25th June will be eligible for grant aid for 2021-2022.

Ms. Deirdre Lennon,
School Principal.
