Write three pieces of news about your Christmas and new year celebrations in your new copy, using your cursive writing. Remember the tips we use when writing about our news (who, what, when and where), and you could also use some 'time' words (first, then, after that, next, finally). Don't forget to use your capital letters and full stops. :) Draw your best picture to go with your news and send me a picture of it when you're done. I can't wait to see your news!! 😊
