Thursday's activity

Can you find three of the words that rhyme? Play the game "I say, you say" with an adult or sibling and see how many more words you can think of that also rhyme with these (e.g. I say rat, you say fat etc.) See if you can make up silly sentences using the "-at" rhyming words (e.g. the fat bat flew over the cat's hat). Draw a picture of your silliest sentence! 😊
