

School Tours 2022

Dear Parents,

Teachers are organising school tours for all our classes. You will receive information from the class teacher regarding tour destination, arrangements etc. All children are encouraged to take part in the school tour as an important part of their education both from the opportunity to visit places of historical and national interest as well as the important occasion for social interaction with classmates. Good behaviour is expected of all pupils who go on school tours so that a pleasant, safe tour is enjoyed by everyone. Class teachers will make the final decisions regarding whether or not all children in a class deserve to go on the tour.

The list of Class Tours for this year is as follows:

Class	Tour Destination	Tour Date	Cost of Tour
Junior Infants	Kia Ora Farm	31st May	€20
